25X1 4. [ ] In response to a call from Mr. Coffin, Bureau of the Budget, I advised that we did not intend to submit a separate Agency report on H. R. 7309, a companion bill to Senator Goldwater's bill for amateur radio operators since the FCC was giving the House Committee a coordinated response including specific reference to the Agency. (See Note for the File: S. 920)

25X1 5. [ ] Talked with Warran Sawall, in the office of Senator Gaylord Nelson, concerning our repeated efforts to arrange for the Senator to visit the Agency for lunch. In view of tight schedules for the DDCI and the Senator next week, Sawall suggested we put this over and get together the first week in December, perhaps for a meeting on the hill.

25X1 6. [ ] Hand carried the response to Congressman Daniel J. Flood's (D., Pa.) letter of 10 November and discussed the response with Mrs. Helen Tomascik. Advised that the turn down of employment for [ ] was not related to any single factor but that we are interested in whether individuals can stand up under pressure. Mrs. Tomascik indicated that this is a completely satisfactory answer for the Congressman and thanked us for coming by.

25X1 7. [ ] Returned to Congressman Dante B. Fascell (D., Fla.) the papers loaned concerning the [ ] Congressman Fascell indicated that he would continue to advise that GSA has a continuing requirement for this real estate.
